Charter rates are for the boat. You may take up to six passengers. A deposit of 50% is required to reserve your trip and is non-refundable within 14 days of trip unless this date can be re-booked. No personal checks are accepted at day of trip departure. Payment may be made in the form of cash, certified check, money order, Visa or MasterCard credit cards. All bookings are considered tentative until deposit is received.
The Captain of your vessel is legally obligated to exercise all reasonable precautions for the safety of the vessel, its passengers and crew while at sea. A crew tip is customary at the end of your trip. Federal law prohibits the possession or use of any illegal narcotics, including marijuana. Persons under the influence of intoxicants shall, at the discretion of the Captain, be refused permission to board, or required to disembark and trip terminated without refund of any money paid by such person or persons for the charter.
We wish to assure you that our boat is maintained to the highest practical standards and is equipped with more safety equipment than is required. However, if unusual circumstances cause us to return before a reasonable length of time, a refund, adjustment or another date may or may not be made, according to the circumstances causing the return of the vessel, with the final decision resting with the Captain of the vessel. Lack of fish is not a basis for adjustment. If any cause for complaint should occur, the discussion should take place directly with the Captain and some satisfactory agreement should be reached before leaving the boat.
Glass beverage containers or firearms are not permitted on board.
